

Declaration of Business Interests and Conflict of Interest for the Local Governing Body 2024-25

Members of the Local Governing Board are required to declare all business interests that they have. They must also declare any business interests that their partner or member of their immediate family have, that might affect their relationship with the School and/or their decision making. Completion of this form does not remove the requirement upon them to disclose orally any interest at any specific meeting and to leave the meeting for that agenda item. Any changes to the information below must be communicated immediately to the Chair of Governors.
